AGUINALDO FALTERS

Filipino Dictator Asks For s Cessation of Hostilities.

Vo Instructions For Otis, but May Ise His Own Discretion-Encouraging News Received-Fighting of Our Troops a Revelation.

WASHINGTON Feb 9-There is an

simost complete release of the tension under which the rapid occurrences of events in the Philippines has held the officials of the administration since the first startling news from Manila Satur-General Otis summing up the latest re sults of the fighting he has had with the natives. The statement that Agul naldo s influence had been destroyed and that the Filipino leader was seeking for a cession of hostilities and for a conference was most acceptable and was interpreted as an admission he had realized his terrible mistake It is entirely improbable that he will beat

he shie to resture anything like the status quo or to obtain anything like the same terms as were possible last General Otis intends to impose in the neated his statement that he had given the g neral no instructions since the hattle and saw no reason for giving He real zed he said that General Cus being on the ground and having proved his fitness was in better position to leal with the utuation than any one in Washington Should the general ask permission therefore to do any thing he would be granted permission immelately. Should be ask for in structions on any 1 > nt said Secretary he will be tald to exercise his

wn discretion In this view of the case it will be seen that no one here can till at present how n her the laving d wn of arms the con d tion if dealing with the insurgents at urse it will mean a speedy termina n of the refellion

the till privites that if their graves and the place of interment shall be inclosed and marked.

All Our News is Worth Reading, or It Wouldn't Be Printed.

Yet, in the very nature of things, there are occasions and periods when its importance is emphasized—as with newspapers in war times.

We intend no analogy, however; we wage no war in our retailings, and this is not retail war news. It was long ago that we passed the ordeal of combat. Our place has been given us With inventory just completed we find some lots of

Goods in Small Quantities that Must Go Now.

Other lots that are all right in style and finish, but have staid too long. These prices will make a quick good-bye to them.
